The magnetic card: Stop in front of the gate and put the card in front of the card reader.

Wait for the complete opening before moving. To go out, wait for the complete closing before reading the card. Even if the gate is already open when you arrive, you have to stop and read the card.

The card authorizes **only one car to pass**: this reminder is at the entrance of the campsite. The forced passage of a second car will damage the mechanism and the vehicle: the damage is dependent on the tenant of the mobile home or the pitch concerned.

For the quietness of everyone, the entrance to the campsite for vehicles is closed from 11pm until 7.30 am. A car park is at your disposal next to the campsite. You can use the same magnetic card **for your car only**.

From 11 pm silence must be total. Respect your neighbours by avoiding making a noise and other nuisances.

On the campsite, the pitch is available from midday the day of arrival to midday the day of departure (whatever the hour on the day of arrival).

Every failure leading a discomfort to the other campers or a deterioration will be punished by an immediate expulsion and the payment of the costs to recondition.

It is forbidden to dig channels in the ground and to leave stones on the pitch.

Electric cables and pipes are located underground. Do not hammer any stake that could pierce these installations and involve serious damage as well as your responsibility.

The extension cords must have an earthed socket.

Electricity is personal, it is forbidden to supply it to your neighbour.

Personal dishwasher and washing machine are forbidden.

The laundry is next to the reception. It is open from 9am to 7.30pm during the season and on demand out of season.
